RULES

All team members tee off on each hole. The players then decide which ball is in the best position for the second shot. The other team members pick up their balls and the "best ball" is marked with a tee or marker. The player whose ball is selected as best ball will sit out the following shot, the other players will hit the second shot

This procedure is followed on every hole, including putts. Putts need to be made within 3 inches of the marked spot (no closer to the hole). The first ball to go in the hole is counted for the team score.

If the ball you choose to play is in a hazard (sand, water etc.), the rough, or out of bounds, you cannot drop the ball outside of the hazard or rough even if relief is within one club length away.

Men tee off from the yellow tees and ladies from the red tees.

Teams are to be of 4. In the event of a team of 3, the player with the highest handicap plays twice. Teams of 2 will not be accepted in the competition.

Team Handicap: Each team (of 4) will receive one handicap which will be calculated by dividing the sum of the player's handicaps by 10.

The maximum handicap per player in this calculation is 36. In the event of a team of 3 players, the highest handicap will be counted twice.

Scoring: Players must indicate the gross score on the scorecard. One score per hole per team.

Each team will meet in the scoring area to check scores and sign the scorecard.

The nett score will be calculated in the scoring area.

In the event of a tie-break 'the countback' procedure will be followed:
Best score on last 9, Best score on last 6, Best score on last 3.
